

## CRISIS SOLUTIONS & NEEDS

We are working feverishly to support [mission-served beneficiaries (i.e. the 1.5 million people living with Rheumatoid Arthritis in the U.S.)] during this time of national and global crisis. More specifically, we are taking the following key actions to [insert respective impact your organization is providing (i.e. ensure that all veterans have the access to the care and support they need during this critical time.)]

### KEY ACTION:

[We're advocating for the U.S. Department of Agriculture to provide flexibility in how kids access meals during this time and for Congress to make sure SNAP is maximized for struggling families.]

### KEY ACTION:

We still need your support, now more than ever, to [insert greatest need (i.e. prevent our homeless populations from becoming infected)]. Here are a few ways you can help!

### CRITICAL NEED:

[Nearly 22 million low-income kids from communities across the country rely on the free and reduced-price meals they receive at school.]
